## What are your options?

Helping you make the right choices

# Practical support to help you move home

### We take the stress away from your move

Whether to a smaller more manageable property, sheltered accommodation, care home, rented or owned property, we can take care of everything to help you move on.

We understand your home holds memories and treasured belongings – we guide you through this transition, taking time to listen to your needs, concerns and preferences.

With years of experience helping people move home, we are highly organised and happy to handle unusual requests. We are flexible, caring and DBS (police) checked. We can do as much or as little as you want.

### How we can help you

- In depth discussion of your needs:
  - Options and alternatives
  - Where you want to move to
  - Why and when
- Preparation of a moving plan
- Assist with finding agents, surveyors and solicitors to value/buy/sell a property
- Find and short-list suitable properties to view
- Arrange escorted tours
- Advice on how to handle price negotiations
- Prepare an inventory to assist with the sorting of goods
- Sort your goods out physically – cupboards, storage places and garage

Your dedicated local move manager will be responsible for taking care of everything throughout the moving process. We keep family, friends and professionals informed if requested by you.

### Our goal is to make each move as positive and smooth as possible for all concerned

- Arrange for disposal, sale, or recycling of unwanted goods
- Organise packing, removals and unpacking
- Take care of utility readings
- Notify organisations and friends of change of address
- Project manage the refurbishment of a new property – from tradespeople to new furniture
- Support on the day of the move
- Confidential counselling service
- Ongoing administrative and secretarial support
- Manage the probate sale and clearance of property

### Next Steps

You may be at the beginning or end of the process – just call us to discuss your needs.

After an initial free confidential consultation, we will send you a fixed price quotation. As we offer a tailor made service our fees will depend on your needs – no two clients are the same. Being independent means we are able to offer impartial advice as part of our caring and personal service.
